- *Soft Skills:* Communication, Teamwork, Problem-Solving, Adaptability, Leadership, Time Management, Creative, Critical Thinking, Attention to Detail, Conflict Resolution, Emotional Intelligence, Resilience.

PROJECTS

- CareMate: Developed a healthcare app leveraging AI to manage medication safety by identifying interactions
 with foods and other drugs. Implemented OCR technology for medication input and provided personalized
 recommendations based on user-specific data like blood pressure, weight, and height
- *Tiny Tasks:* Designed a productivity app tailored for individuals with ADHD, focusing on breaking down schedules into manageable daily or half-daily tasks. Prioritized user-friendly design to improve focus and task completion while reducing overwhelm.

OTHER PROJECTS

- Developed a Multi-threaded WebCrawler and various other small projects.
- Developing a parking app

LEADERSHIP AND COMMUNITY INVOLVEMENT

Hindu YUVA at GSU (IG: gsuhinduyuva)

Atlanta, GA

Creative Design Lead, August 2023 — April 2024

- Make posters, social media posts, polls, and stories advertising different events.
- Brought in over 250 people to our event

President, April 2024 — Present

- Provided leadership and strategic direction for the Hindu YUVA chapter, guiding overall mission and goals.
- Oversaw a team of officers, delegated responsibilities, and ensured smooth coordination across all roles.
- Managed and allocated the club's budget effectively, ensuring financial resources were used efficiently for events and initiatives.
- Facilitated leadership development by mentoring officers and members, promoting active engagement and accountability.
- Led planning and execution of large-scale cultural events, workshops, and community outreach programs, ensuring successful outcomes.

Foundation for Hospital Art

Woodstock, GA

Volunteer, August 2023 - September 2024

• Assisted in making paintings and murals that brighten the hospital environment
